## SPECIALIST RECRUITMENT

SLS Services has offered specialist recruitment solutions to the Pharmaceutical industry since 1991.

An accredited REC Member, we act professionally and ethically in placing permanent and contract staff within the UK and Europe.

We are based in Horsham, West Sussex, UK and have a supportive team of committed recruitment consultants, who all offer expertise in niche industry areas and can therefore provide the highest level of service, both to jobseekers and to hiring companies.

Our clients, who include Big Pharma, Biotech, Clinical Supply, CMO, CRO, Generics and Medical Device companies, turn to us for the resourcing of staff at all levels, across numerous areas including (but not limited to):

**Quality ~ Formulation ~ Analytical Development ~ GMP Operations ~ Supply Chain  
Reg Affairs ~ Pharmacovigilance ~ Medical Information ~ Clinical ~ Epidemiology  
Statistics ~ Computational Science ~ SAS ~ IT ~ Medical Communications ~ Sales**

We focus on quality over quantity. To achieve this we make sure we understand our clients' needs, how their businesses work and the people they like to hire. With a vast CV database, a considerable advertising network that will give your roles maximum exposure in the marketplace, and the proactive nature of our consultants, we are ideally placed to become your recruitment partner.
